Mr. James A. Wilderetter
Associate Counsel to the President
Room 182
Old Executive Office Building
Washington, D.C.

Dear Jim:

Attached in accordance with our telephone conversation yesterday are various Agency papers (none of them sanitized) relating to the three sub-machine guns for Chile. Most of this falls within the purview of a request put to us several days ago by Fritz Schwarz. We have not sent any of this forward to the SSC and we await your advice. Please make sure that the NSC is informed.

Sincerely,

E. H. Knoche
Assistant to the Director
